

## Secondary Curriculum Mapping: History

Our curriculum ensures children learn in a safe environment that allows them to be happy re-communicators prepared for their next steps in an ever-changing world.

A curriculum to support learners in their individual life paths.

If I am disabled, I have the right to special care and education. (Article 23)

I have the right to an education. (Article 28)

I have the right to an education which develops my personality, talents and abilities. (Article 29)
